Prepared By (Communications Unit)					Incident Location County State Latitude Longitude		

Marinette County Fire and Local Fire/EMS Channels are Strongly Discouraged for use during a MABAS activation

Additional Frequencies are available. Refer to the Marinette County Tactical Interagency Communications Plan

¹ Marinette County Coordination Channel has 11 different repeater sites, each with a different transmit tone. Select correct tone from nearest tower site to transmit

² MARC 1 repeaters at Harmony and Silver Cliff Tower sites must be remotely turned on using DTMF by either Wisconsin State Patrol or Peshtigo DNR Dispatch.

Another option to use MARC 1 is to contact Marinette EM Director and set up the portable repeater
